INFINITI CONNECTS™

Chairperson's Foreword

February was a vibrant and high-spirited month for Infiniti Connects™, filled with celebration, collaboration, and meaningful engagement. The month began with the **Grand Hunt**, an energetic and interactive experience where members collaborated through strategy, teamwork, and shared challenges.

This was followed by **Friend-a-tine** by Creste in Lucknow, a warm gathering that celebrated connections beyond business and created space for authentic conversations and relationship-building.

The festive spirit continued with the **Collective Holi Edit**, bringing together color, creativity, and celebration while strengthening the bonds within our community.

We concluded the month with **Discovery Day** – Lucknow, a thoughtful platform for reflection, shared journeys, and experiential learning.

As the second chapter of the year, February reflected what Infiniti Connects™ stands for—connection, collaboration, and collective growth. Thank you to everyone who continues to bring energy and inspiration to our growing community.

Warm regards,
