JANUARY 2026 Edition

Collab| Socialize | Network | Grow

Chairperson's Foreword

January marked a confident start for Infiniti Connects™—a month defined by momentum, meaningful dialogue, and intentional growth. Across cities, our community came together to build connections beyond introductions, reinforcing the belief that growth is most powerful when it is shared.

We opened the year with the Lucknow Business Mixer, creating an engaging platform for entrepreneurs and professionals to connect, exchange ideas, and explore collaborations in an atmosphere of trust and openness. The conversations sparked during the mixer set the tone for relationships driven by purpose and possibility.

This was followed by Sip & Think, our learning circle designed to slow down the pace and deepen perspectives. Through reflective discussions and shared insights, members engaged in meaningful conversations that encouraged clarity, creativity, and strategic thinking.

January also marked a significant milestone with the Kanpur Networking Meet, extending the Infiniti Connects™ vision to a new city and strengthening inter-city collaboration within our growing ecosystem.

The month concluded with Discovery Day – Lucknow, a platform centered on real journeys, shared insights, and experiential learning—celebrating curiosity, resilience, and the power of learning together.

As the first chapter of the year, January reflected what Infiniti Connects™ truly stands for: connection with intention, learning with depth, and growth with purpose.

Thank you to everyone who brings energy, intent, and inspiration to the community every single day.

Warm regards,
Girish Mathur
