ABOUT INFINITI CONNECTS

INFINITI COMMUNITY FOUNDATION

Introduction

A thriving business networking community founded by Surabhi Srivastava in March 2018 in Lucknow. The community unites professionals and entrepreneurs across various industries via various Business and social events initiatives.

Our Philosophy

To foster a vibrant and supportive business community that empowers professionals and entrepreneurs through meaningful connections, shared knowledge, and collaborative growth opportunities.

Vision for the Future

To establish a globally recognized platform that fosters innovation, inspiration, and success, empowering businesses to thrive through authentic networking and strategic partnerships.

OUR FOUNDER

SURABHI SRIVASTAVA
FOUNDER

When I started Infiniti Connects back in March 2018, it was just a seed of an idea—a quiet hope that professionals and entrepreneurs like you and I could come together not just to network, but to grow together. What began with 15 members has now become a powerful community of 200+ — and while I'm incredibly proud of that, I'll be honest: the journey hasn't been easy.

In these 7 years, we have become a support system, a learning platform, a space for real business and real growth. We saw collaborations turn into companies, connections turn into friendships, and ideas turn into action.

To those who've stood by this journey—thank you. To those just joining—welcome to something real. Infiniti Connects is only just getting started.

EXECUTIVE CHAIR 2025–26

CHAIR

GIRISH MATHUR
CEO, SRI TECHNOCRAT

As we begin the 2025–26 chapter of Infiniti Connects, I feel grateful and excited for what lies ahead. This year, our focus is clear: to make our community more business-oriented, learning-driven, and collaboration-ready.

Our Vision: **"Connect to Grow. Learn to Lead."**

We aim to move beyond just networking—towards creating real value for every member. Let's grow with purpose, learn with intention, and build a powerful ecosystem—together.

EXECUTIVE COMMITTEE

MITUSHI NEGI
Principal
SETH MR JAIPURIA

2025–26 will be a year of intentional growth. We aim to make every session, every meet, and every connection count. With a stronger focus on business generation, learning-driven engagement, and collaborative projects, we are ready to create real impact for every member.

Let's not just show up. Let's build together. Share leads, support each other, bring value to the table—and grow as one.

EXECUTIVE COMMITTEE

SWETA AGARWAL
Proprietor
THE ART BOX STUDIOS

In this digital age, what sets us apart is our commitment to being present—attending meetings, participating in events, and building offline bonds that translate into long-term value. Every handshake, every conversation, every shared experience at an Infiniti event is a seed for growth.

This year, let's meet more, support more, and build a community that's not only connected—but truly together.

Vision 2024–25

- More Business Opportunities through lead-sharing, curated referrals, and B2B spotlights.
- Monthly Learning Sessions to upskill on business, tech, branding, finance & leadership.
- Collaborations that Convert — cross-chapter projects, partnerships & showcases.
- Better Visibility through digital spotlights and PR support.
- Tracking Impact — we'll measure referrals, collaborations, and learning outcomes.
