Chairperson's Foreword

October was a month of momentum — full of new ideas, collaborations, and connections that reminded us why community matters.

At Infiniti Connects™, our Lucknow entrepreneurs, professionals, and business leaders brought festive energy into every interaction, turning meetings into memories and conversations into opportunities.

As we move past the Diwali glow, it's time to refocus, reimagine, and get ready for what's next together. Thank you to everyone who continues to make this network not just active, but alive.

5TH OCT, 2025

Lucknow's creative energy came alive at The Collective 2025, where entrepreneurs, brands, and influencers met under one roof to celebrate connection through commerce and creativity.

The evening blended fashion, lifestyle, and business storytelling — turning showcases into conversations and collaborations into opportunities.

With every post, reel, and shoutout, our members' brands shone brighter, marking the season not just with sparkle but with meaningful visibility and growth.

Where ideas walked the ramp — and community took centre stage.

Founder's Note

October always feels special to me the air softens, celebrations multiply, and everything seems to move with a little more heart. For us at Infiniti Connects™, it was a month that truly captured what this community stands for.

From The Collective's Diwali and wedding-themed showcases to Lucknow's first Influencers Meetup, and our unforgettable Shaadi Series and Fake Wedding, every event reminded me why I started this journey in the first place to bring people together with purpose and joy.

What moved me most was watching our entrepreneurs, professionals, and creators cheer for each other. That's what real connection looks like, not competition, but collaboration.

After such a full and vibrant month, I chose to pause, reflect, recharge, and appreciate how far we've come together. As we step into the next season, I do so with renewed energy, gratitude, and faith in this incredible community we've built.

With warmth and pride,

Surabhi Srivastava
